

Supplementary Local Rules (2021 edition)

Play is governed by Golf Canada's 2019 Rules of Golf and by the following supplementary local rules.

- 1. Out of Bounds** is marked by a combination of white stakes and boundary posts. A ball that crosses Memorial Avenue, defined as *out of bounds*, and comes to rest beyond that road is *out of bounds* even though it may lie on another part of the *course*. The clubhouse, patio, parking lot, cart barn and maintenance compound are *out of bounds*.
- 2. Immovable Obstructions:** Includes all cart paths, maintenance roads, metal fences, garden areas surrounded by obstructions and stairs, including hand railings. Worn extensions to cart paths are part of the *immovable obstruction*. Relief under Rule 16.1.
NOTE: The "barber pole" on Hole # 1/10 is a *movable obstruction*. Rule 15.2a(2) applies.
- 3. No Play Zone:** Flower gardens and the turf nursery between holes 1/10 and 2/11 are *no play zones* that are to be treated as *ground under repair*. Player **MUST** take free relief - Rule 16.1f.
- 4. Hole #5/14 No Play Zone:** is defined by green topped red stakes and is also a *penalty area*. Entering the *no play zone* or playing a ball within the *no play zone* is strictly **PROHIBITED**. Penalty relief (one stroke) **MUST** be taken (Rule 17.1d – Relief for ball in penalty area). As another option in casual play only, relief may be taken by using the drop area provided on the green side of the *no play zone*, under penalty of one stroke
- 5. Protection of Young Trees (staked or fenced):** If a player's ball lies anywhere on the *course* other than in a *penalty area*, and if such a tree interferes with a player's stance or the area of intended swing, the player **MUST** take (free) relief under Rule 16.1f
- 6. Exposed tree roots:** If a player's ball is at rest in a fairway portion of the *general area* and there is interference from exposed tree roots (lie and swing only, not stance,) the player may take free relief under Rule 16.1b
- 7. Animal hoof damage:** Damage that is clearly identifiable as having been caused by *animal* hoofs is *ground under repair* from which free relief is allowed under Rule 16.1
- 8. Alternative to Stroke and Distance penalty for Out of Bounds or Lost Ball:** See separate sheet entitled **Supplementary Local Rule 8** for explanation, diagrams and wording. This rule is in effect.

Penalty Areas: marked by red stakes.

Penalty for a breach of a Local Rule is the *general penalty*.

The following is a **recommendation** only, not a local rule

Bunker Rakes: Please leave bunker rakes outside the bunker, with the handles parallel to the line of play

MLR E-5 DIAGRAM 1: BALL NOT FOUND

When a player's ball has not been found, the player may take stroke-and-distance relief, or when Model Local Rule E-5 is introduced, the player has the additional option to drop a ball in and play from the relief area described below for two penalty strokes:

Reference Points	Size of Relief Area	Limits on Relief Area
<p>A. Ball Reference Point: The point where the original ball is estimated to have come to rest on the course (point A)</p> <p>B. Fairway Reference Point: The point of fairway of the hole being played (point B) that is nearest to the ball reference point, but is not nearer the hole than the ball reference point</p>	<p>Anywhere between:</p> <ul style="list-style-type: none"> A line from the hole through the ball reference point (point A) (and within two club-lengths to the outside of that line), and A line from the hole through the fairway reference point (point B) (and within two club-lengths to the fairway side of that line) 	<p>The relief area:</p> <ul style="list-style-type: none"> Must not be nearer the hole than the ball reference point, and Must be in the general area

Player Notes:

As the relief area is likely to be very large, the ball could roll a considerable distance from the spot where it first strikes the ground and not need to be dropped again.

MLR E-5 DIAGRAM 2: BALL OUT OF BOUNDS

When a player's ball is known or virtually certain to be out of bounds, the player may take stroke-and-distance relief, or when Model Local Rule E-5 is introduced, the player has the additional option to drop a ball in and play from the relief area described below for two penalty strokes:

Reference Point	Size of Relief Area	Limits on Relief Area
<p>A. Ball Reference Point: The point where the original ball is estimated to have last crossed the edge of the course boundary to go out of bounds (point A)</p> <p>B. Fairway Reference Point: The point of fairway of the hole being played (point B) that is nearest to the ball reference point, but is not nearer the hole than the ball reference point</p>	<p>Anywhere between:</p> <ul style="list-style-type: none"> A line from the hole through the ball reference point (point A) (and within two club-lengths to the outside of that line but still on the course), and A line from the hole through the fairway reference point (point B) (and within two club-lengths to the fairway side of that line) 	<p>The relief area:</p> <ul style="list-style-type: none"> Must not be nearer the hole than the ball reference point, and Must be in the general area

Player Notes:

As the relief area is likely to be very large, the ball could roll a considerable distance from the spot where it first strikes the ground and not need to be dropped again.

SUPPLEMENTARY LOCAL RULE NO. 8
